International

Eat Ice Cream For Breakfast Day

#kidsgetcancertoo | #icecreamforbreakfast

International Eat Ice Cream for Breakfast Day is February 18. We honor all children who have fought or who are fighting a battle with cancer, because kids get cancer too.

You can join us by eating ice cream for breakfast on February 18 and posting a picture of what you're eating on social media and telling us who you are eating for. EVERYONE is invited!

Share your photo(s) on: [Facebook](#), [Twitter](#) or [Instagram](#)
